

HWITM
HIMACHAL WIRE INDUSTRIES

ABOUT US

When brain starts wiring great ideas, quality innovations take place. Himachal wire industries Pvt. Ltd believes in this philosophy and has worked on steel wire transformation and coatings.

Himachal wire industries Pvt. Ltd. was established in year 1984, located at Damtal, Distt. Kangra, Himachal Pradesh. It is an ISO – 9001:2015 certified and engaged in manufacturing highly provisioned Galvanized wire that satisfactorily fulfils the needs of different Electricity Boards, Infrastructure works, Turn key contracts and many other discerning Private players in the field.

Himachal wire industries Pvt. Ltd. is managed and run by stellar professionals, having more than 40 years of gigantic experience under belt. We have been on the top most suppliers list of State Electricity Boards.

Our steel wires are engineered for immensely specialized applications in the Power and Transmission industry, infrastructure, auto-ancillary, agriculture and allied engineering industries and now used across India.

Our strength lies in the sheer brilliance and dedication towards technology for the steel wires to undergo extreme customization to match exact specifications of our customers.

We are thriving for innovations in the steel wire technology for unstoppable growth to happen in this space. We are a bunch of brilliant craftsman in this field. Our team consists of highly skilled engineers, metallurgists; MBAs and several others who help build our organization and move us forward beyond our strengths.

OUR MISSION

Our mission is to provide our customers with the best service experience, our employees with growth opportunities and to enlist our name in India's Largest, globally respected organization that manufacture and provides customized wire solutions.

HOW WE EXCEL EVERYDAY

- Modern production facilities with an annual capacity in excess of 20,000 MT.
- Pan-India distribution and supply chain

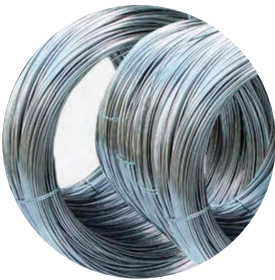

MILD STEEL WIRE FOR GENERAL ENGINEERING PURPOSE

Min Order Qty:	9MT
Material	HB (Hard Bright) and HHB (Half Hard Bright) Wire
Strand Wire Diameter	2.00mm to 8.00mm
Range (mm)	
Coil/Bundle	50-250
Weight (Kg)	Kg/Each

Tensile Strength(Kg/mm2)	45-100Kg/mm2
Surface Finish	Pickled ,Phosphate and Oiled or Descaled with Borax Surface without Oiled
Packing	Coils are oiled and wrapped in hessian cloth

A.C.S.R CORE WIRE

Material	High Carbon
Usage/Application	Industrial
Size	1.57 mm-4.80 mm
Application	Conductors etc.
No Of Cores	Single Core

EARTHING COILS

Usage/Application	Industrial
Material	Galvanized Iron
Surface Treatment	Galvanized
Length	As per requirement

BINDING WIRE

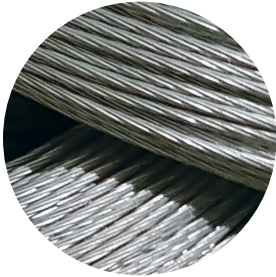

Wire Material	Carbon Steel
Packaging Type	Bundle
Tensile Strength	400-550 Mpa

BARBED WIRE

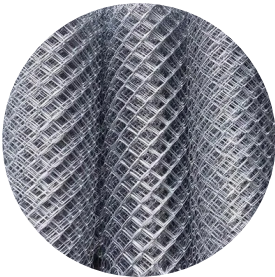

Material	Galvanized Iron
Packaging Type	Bundle
Wire Thickness	2mm/2.5 mm

A.C.S.R CORE WIRE STAND

Size	1.50 to 5.00 mm
Material	High Carbon
Use	In Transmission

CHAIN-LINK FENCE

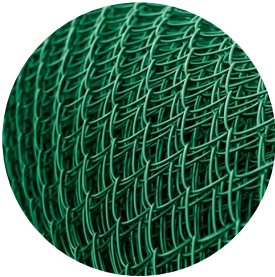

Material	Galvanized Iron
Packaging Type	Roll
Length	As per requirement
Height	As per requirement
Usage/Application	Fencing
Surface Treatment	Galvanized
Elongation	10-15 %
Color	Silver

GABION BOXES

Surface Treatment	Galvanised
Type Of Wire	Wire Net
Thickness	As per requirement
Shape	Hexagonal
Material	Galvanized/ PVC Coated

PVC COATED CHAINLINK FENCE

Material	Galvanized Iron
Usage/Application	Garden/Agriculture
Color	Green
Height	As per requirement
Surface Finish	PVC Coated
Packaging Type	Roll
Length	As per requirement

WHY CHOOSE US?

- High quality standard products at competitive cost
- Impeccable Customer service experience
- Excellence in delivering consignments
- Assurance of best ethical practices

OUR PRODUCTS

- ▶ GI WIRE

▶ GSS WIRE

▶ Barbed Wire

▶ Chain link fencing

▶ Guy Wire

▶ Earth Wire
- ▶ Earthing Coils

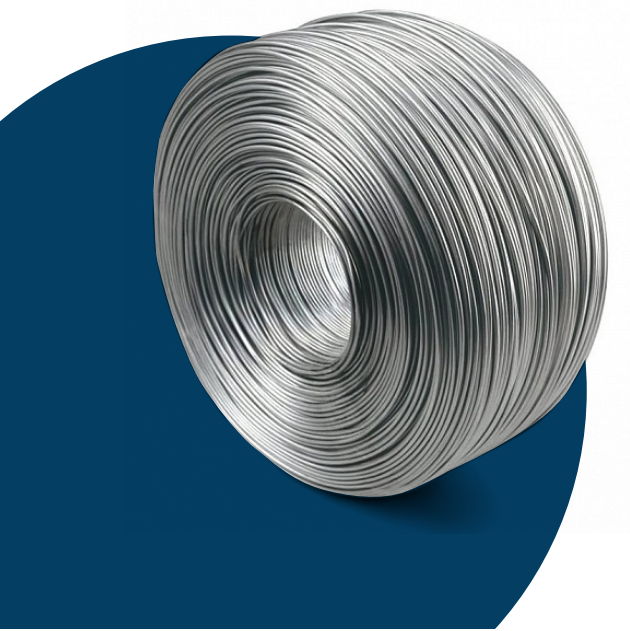

▶ Gabion Boxes

▶ Stay Wire

▶ Binding Wire

▶ Low carbon wire

▶ Mild steel wire

OUR EXPERTISE

We are experts in designing and manufacturing customized Galvanized wires. Our products are manufactured under strict quality control norms prescribed under ISO 9001:2015. All the enlisted products are relevant to INDIAN/BRITISH/IEC standards.

ADDITIONAL INFORMATION	
Production Capacity : 3500MT	Packaging Details : Coil Weight 50-250Kg
Delivery time : Ready Goods Stocks	with HDPE Packing's

G.I STAY WIRE	
Min Order Qty :	9MT
Wire Diameter Range (mm)	.90mm-6.00mm
Coil/Bundle Weight (Kg)	50-250Kg/Each
Material Grade	1006/1008/1010
Zinc Coating	60-300Gsm (Low/Medium/Heavy)
Standards	IS 280(1978), BS 10223 (Fencing, Forming, Poul)
Tensile Strength (Kg/mm2)	45-100Kg/mm2
Application Wires	Chain Link Fencing, Barbed Wires, Welded Mesh

ADDITIONAL INFORMATION	
Production Capacity : 1000MT	Packaging Details : Coil Weight 50-250Kg
Delivery time : Ready Goods Stocks	with HDPE Packing's

GALVANIZED STRAND FOR EARTHING	
Min Order Qty :	9MT
Strand Diameter Range (mm)	7 Strand, 4 Strand, 3 Strand
Strand Wire Diameter Range (mm)	2.50mm-4.00mm
Length (Mtr)	As Per Requirement
Zinc Coating (Low/Medium/Heavy)	60-300Gsm
Standards	IS 2141
Application	Power Industry

OUR CLIENTS

- ▶ Himachal state electricity board
- ▶ Punjab state power corporation ltd.
- ▶ Uttar haryana bijli vitran nigam ltd.
- ▶ Dakshin haryana bijli vitran nigam ltd.
- ▶ Madhya gujrat vij company ltd.
- ▶ Dakshin gujrat vij company ltd.
- ▶ Uttar gujrat vij company ltd.
- ▶ Paschim gujrat vij company ltd.
- ▶ Gujrat energy tranmission corporation ltd.
- ▶ Uttrakhand power corporation ltd.
- ▶ Jaipur vidyut vitaran nigam ltd.
- ▶ Ajmer vidyut vitaran nigam ltd.
- ▶ Rajasthan vidyut vitaran nigam ltd.
- ▶ Tamilnadu electricity board
- ▶ Maharashtra state electricity company ltd.
- ▶ Shyam Indus Power Solution Pvt. Ltd.
- ▶ R.S Infra Project Ltd.
- ▶ Josh Agencies
- ▶ Power development department jammu & kashmir
- ▶ Gulbarga electricity supply company ltd.
- ▶ Karnataka power transmission corporation ltd.
- ▶ Power transmission corporation of uttrakhand ltd.
- ▶ Madhya pradesh paschim kshetra vidyut vitaran co. Ltd.
- ▶ Madhya pradesh madhya kshetra vidyut vitaran co. Ltd.
- ▶ Eastern power distribution company of A.P.E.P.C.L
- ▶ Irrigation public health department
- ▶ Himachal pradesh forest department
- ▶ Central electricity supply utility of odisha
- ▶ Absolute Power India Ltd.
- ▶ BSES Yamuna Power Ltd.
- ▶ Star Transformers
- ▶ JR Transformers
- ▶ HR Power
- ▶ High-tech Transpower Pvt. Ltd.
- ▶ Arvindra Electrical

We manufacture all our products based on ISI approved guidelines.
